

## **Professional Services**

It is a pleasure to address you to present a proposal that will transform your online presence with a top-notch interactive website. Our offer includes an exceptional price to ensure that your vision becomes a tangible reality, leaving you completely satisfied with the results obtained.

We will take care of updating and putting your website online in its entirety, allowing you to maintain full control over your web presence.

We cordially invite you to take a look at some of the outstanding projects we have developed in our portfolio, available at [www.albertosolanovillalta.com](http://www.albertosolanovillalta.com). We are confident that you will be impressed with our experience and professionalism in each project.

# Development of the website and web hosting

## Includes:

- **Landing Page Style:** Professional and attractive design to highlight your message and attract your target audience.
- **Web Domain ([www.yourbusiness.com](http://www.yourbusiness.com)):** Provided free of charge upon purchasing the website, ensuring a solid online presence.
- **HTTPS:// Security Protocol:** We guarantee the security of your website with an SSL certificate to protect your visitors' information.
- **Web Development:** Creation and customization of the landing page according to your needs and specifications.
- **Photo Gallery:** Integration of an image gallery to visually showcase your products or services.
- **WhatsApp Chat:** Implementation of a WhatsApp chat for direct and fast communication with your potential customers.
- **Website Hosting:** We guarantee reliable and secure hosting for your website on our server.
- **5 Web Sections:** We organize your content into up to 5 sections for a clear and structured presentation of your information.
- **Total Website Cost:** 500 dollars
- **Total Web Hosting Cost:**
- You can choose between two options:
- Option #1: Annual Hosting – 250 dollars (One-time payment per year)
- Option #2: Monthly Hosting - 20 dollars (Monthly payment)

# IMPORTANT NOTES

- **Free Domain for First Year:** The domain is renewed annually; however, by accepting our proposal, we offer the first year of domain free of charge.
- **Fractional Payment to Start Development:** To initiate the website development, we require a deposit of 70% of the total cost into a designated bank account. The remaining 30% is due upon delivery of the website.
- **Future Website Updates:** Any updates after the initial website development will be charged separately. Our prices for these updates are fair and reasonable, ensuring continuous maintenance of your online presence without excessive costs.

To fully agree with the web quote, you must write your full name, ID number, and sign digitally or scanned..
